

**The 10th Pan African
Global Trade and Investment Conference**
Atlanta, GA, USA | August 17-20, 2022
Summit Program

The 10th Pan African Global Trade and Investment Conference 2022 offers a unique opportunity to explore and expand the international presence for products and services from Africa and the Pan African Diaspora. The conference offers opportunities to gain insight into those factors that could impact the industry for years to come via sessions led by industry experts, government officials, thought leaders, captains of industry and subject matter experts.
